
Poverty Players:

Each player takes one poverty point for each card left in his hand. Then discard those cards.

How many poverty points does each player have?

What is the difference with the lowest amount of poverty points?

Check the table below. How many VP does each player lose for poverty points?

Poverty Points	1-2	3	4	5	6	7	8	9	10
VP penalty	-1	-2	-3	-5	-7	-9	-11	-13	-15

Subtract another -3 VP for each poverty point over 10

Money

Pay off as many loans as possible. To repay a loan, pay £15 to the bank.

Of the remaining sum, get 1 VP for each £3.

Subtract 7 VP for each unpaid loan

Total:

Building Display

Count the VP for cards in each building display.

Victory Points

Count the victory point tokens for each player.
